

EDITORIAL BOARD MACH 2024.

Editorial Board Chairman

András SZÖLLŐSI-NAGY – doctor of technical sciences, University of Public Service (LUDOVKA), Faculty of Water Sciences, Department of Water and Environmental Policy, professor

Editorial Board Members

Éva ÁCS – Doctor of Hungarian Academy of Sciences, candidate of biological sciences, University of Public Service (LUDOVKA), Faculty of Water Sciences, Department of Water Supply and Sewerage, research professor

Péter BAKONYI – PhD, member of the public body of the Hungarian Academy of Sciences, vice President of the Scientific Council of the National Directorate of Water Management, honorary professor

Gábor BARANYAI – PhD, University of Public Service (LUDOVKA), Faculty of Water Sciences, Department of Water and Environmental Policy, assistant professor

Károly BAROSS – University of Public Service (LUDOVKA), Faculty of Water Sciences, Department of Regional Water Management, honorary associate professor

Tibor BÍRÓ – PhD, member of the public body of the Hungarian Academy of Sciences, University of Public Service (LUDOVKA), Faculty of Water Sciences, Department of Hydraulic Engineering, head of department, associate professor, dean, member of the Scientific Council of the National Directorate of Water Management

Csaba BOZÁN – PhD, invited member of the public board of the Hungarian Academy of Sciences, head of the Research Center for Irrigation and Water Management of the Hungarian University of Agriculture and Life Sciences

Gábor BÓDIS – land surveying engineer, land planning engineer, GIS engineer, water supply and sanitation engineer, B&K Ziviltechniker GmbH

Géza CSÖRNYEI –Budapest Waterworks, general manager

Zsuzsanna ENGI – PhD, University of Public Service (LUDOVKA), Faculty of Water Sciences, Department of Regional Water Management, assistant professor, West-Transdanubian Water Directorate, Department for Water Works and Irrigation, head of department

János FEHÉR – PhD, Middle Tisza District Water Directorate, honorary professor of the University of Debrecen

László FEJÉR –University of Public Service (LUDOVIKA), Faculty of Water Sciences, Department of Regional Water Management, honorary associate professor, member of the Scientific Council of the National Directorate of Water Management

József GAYER– PhD, member of the public body of the Hungarian Academy of Sciences, member of the Scientific Council of the National Directorate of Water Management

Géza HAJNAL – PhD, member of the public body of the Hungarian Academy of Sciences, Budapest University of Technology and Economics, Faculty of Civil Engineering, Department of Water Engineering and Water Management, associate professor

Márk HONTI – PhD, member of the public body of the Hungarian Academy of Sciences, senior research fellow at ELKH-BME Water Research Group

István IJJAS – candidate of technical sciences, member of the public body of the Hungarian Academy of Sciences, Budapest University of Technology and Economics, Faculty of Civil Engineering, Department of Water Engineering and Water Management, professor emeritus, member of the Scientific Council of the National Directorate of Water Management

János JÓZSA – full member of the Hungarian Academy of Sciences, doctor of the Hungarian Academy of Sciences, Budapest University of Technology and Economics, Faculty of Civil Engineering, Department of Water Engineering and Water Management, professor, member of the Scientific Council of the National Directorate of Water Management

Zsuzsanna KERESKESNÉ STEINDL – expert in water quality protection and water catchment management, member of the board of GWP Magyarország Foundation

Zoltán KLING –University of Public Service (LUDOVIKA), Faculty of Water Sciences, Department of Regional Water Management, honorary associate professor, Water Coordination Department of the Ministry of the Interior, head of department

Gabor KEVE – University of Public Service (LUDOVIKA), Faculty of Water Sciences, Department of Regional Water Management, head of Department

Károly KONECSNY – PhD, member of the public body of the Hungarian Academy of Sciences

Kálmán KORIS – Budapest University of Technology and Economics, Faculty of Civil Engineering, Department of Water Engineering and Water Management, honorary associate professor

Sándor KOVÁCS – candidate of technical sciences, member of the public body of the Hungarian Academy of Sciences, Middle Tisza District Water Directorate, University of Public Service (LUDOVIKA), Faculty of Water Sciences, Department of Regional Water Management, honorary associate professor

István LICSKÓ – PhD, Budapest University of Technology and Economics, Faculty of Civil Engineering, Department of Water Utilities and Environmental Engineering, honorary professor

Veronika MAJOR - dr. univ., vice president of the Hungarian Water Association

Zoltán MELICZ – PhD, member of the public body of the Hungarian Academy of Sciences, civil engineer

László NAGY – habil PhD, Budapest University of Technology and Economics, Faculty of Civil Engineering, Department of Geotechnical and Engineering Geology, retired associate professor, member of the Scientific Council of the National Directorate of Water Management

Judit RÁKOSI – dr. univ., ÖKO Ltd., economist

István RÁTKY – PhD, member of the public body of the Hungarian Academy of Sciences, Budapest University of Technology and Economics, retired associate professor

Pál ROMÁN – PhD, Budapest Sewage Works Ltd., Research and Development Director

Ferenc SZILÁGYI – PhD, Budapest University of Technology and Economics, Faculty of Civil Engineering, Department of Water Utilities and Environmental Engineering, honorary professor

Lajos SZLÁVIK – PhD, member of the public body of the Hungarian Academy of Sciences, University of Public Service (LUDOVÍKA), Faculty of Water Sciences, private professor, member of the Scientific Council of the National Directorate of Water Management

Péter SZŰCS – Doctor of the Hungarian Academy of Sciences, corresponding member of the Hungarian Academy of Sciences, University of Miskolc, Faculty of Earth and Environmental Sciences, Institute of Water and Environmental Management, Department of Hydrogeology - Engineering Geology, head of department, professor, vice rector

János TAMÁS – Doctor of the Hungarian Academy of Sciences, member of the public body of the Hungarian Academy of Sciences, University of Debrecen, Faculty of Agriculture, Food Science and Environmental Management, Institute of Water and Environmental Management, professor

Gábor UNGVÁRI –senior research associate, member of the Water Economics Unit of the Regional Center for Energy Policy Research (REKK)

Editor-in-Chief

Veronika MAJOR - dr. univ., vice president of the Hungarian Water Association

Deputy Editor-in-Chief and Copy Editor

Károly KONECSNY – PhD, member of the public body of the Hungarian Academy of Sciences

Scientific editors

Éva ÁCS – Doctor of Hungarian Academy of Sciences, candidate of biological sciences, University of Public Service (LUDOVÍKA), Faculty of Water Sciences, Department of Water Supply and Sewerage, research professor

Publishing organization

Barbara HAMAR – head of the secretariat of the Hungarian Hydrological Society
